New Playground Structure for Sunset Palms Park. Thanks to all for who volunteered their Saturday at the "kicking off" of the EVOS Community Build at Sunset Palms Park. More than 125 volunteers participated in the build including local residents, two Boy Scout groups, and city staff. The Thunderbird Palms/Hickory Shadows neighborhood applied for and received a grant from the Neighborhood Partnership Office for new playground equipment. As part of the grant agreement, they will complete 500 hours of "sweat equity" towards the project. Paradise Bakery and Dominos pizza donated food to help feed those hard working volunteers. For information about the Community Partnerships Grant Program, or the Community Volunteer Program, call (623) 930-2868.
